## **Pump Up The Prairie #6**

**Saturday, December 17, 2011  
9:00 am – Noon**

What better way to celebrate the season then to join the Salt Creek Greenway Association in helping to preserve biodiversity and restore our connection to the land. We'll be helping to restore 80 acres of beautiful prairie lands at:

### **WOLF ROAD PRAIRIE NATURE PRESERVE**

Located just 15 miles west of downtown Chicago, this protected prairie is not only a gift to those of us who love experiencing nature; it is a vital component of sustaining the Midwest.

You'll be among fellow nature and prairie enthusiasts brush cutting, herbiciding, stacking and burning brush piles to help beautify the land. Come for an hour or join us for the whole morning but don't miss being a part of this important restoration effort.

### **What To Bring:**

Bring your friends, family and neighbors along with sturdy work gloves and warm clothes that you don't mind getting a bit dirty.
